About the School

INTRODUCTION

With the experience of operating Zenith International School (White House campus) in Seremban, Zenith Private Schools caters to children from the ages of 7 to 17 years and uses the Malaysian National Curriculum (KSSR and KSSM). Moreover, to add-value to our curriculum, we have incorporated components of the UK and Singapore syllabus.

Our small class sizes allows our teachers to monitor the individual needs as well as the progress of our students. Our Free Clinical classes assists students in overcoming their weakness in specific topics and subjects. Besides enhancing their academic prowess, we also prepare students for the new global and connected world in terms of their personal character, attributes and communication skills.

An award winning school in both academic and industry, Zenith guarantees a memorable, joyful and successful learning journey throughout your child's education, from Lower Primary right up to their Upper Secondary.

OUR CURRICULUM

LOWER JUNIOR 1 to 3

The Malaysian National Curriculum is enriched with elements of the renowned British syllabus allowing Zenith Private Schools students to develop holistically.

UPPER JUNIOR 4 to 6

Concentration on KSSR with additional elements of the British & Singapore syllabus in English, Maths and Science. Primary Focus is on the National UPSR Examination as well as the optional Primary Checkpoint (UK) at Junior 6.

LOWER SENIOR 1 to 3

Emphasis on KSSM curriculum, value-added with British & Singapore syllabus in English, Maths and Science. Preparing students for their PT3 examination as well as the optional Secondary Checkpoint (UK) at Senior 3.

UPPER SENIOR 4 to 5

Specialising in Science stream subjects with the KSSM curriculum as the main syllabus, we add depth to Zenith Private School students' preparation for the SPM Examination and the optional IGCSE (UK) exams by adding relevant features of the British syllabus to their learning.
